

Supplementary Materials

Table S1: Cluster centroids.

Class	A1 + A2	Sum of weights
1	13.431	48,000
2	9.508	17,000

Table S2: Distance between cluster centroids.

	1	2
1	0	3,923
2	3,923	0

Table S3: Silhouette coefficients of the k-means classification.

	Silhouette coefficients
Class 1	0.672
Class 2	0.487
Mean silhouette width	0.623

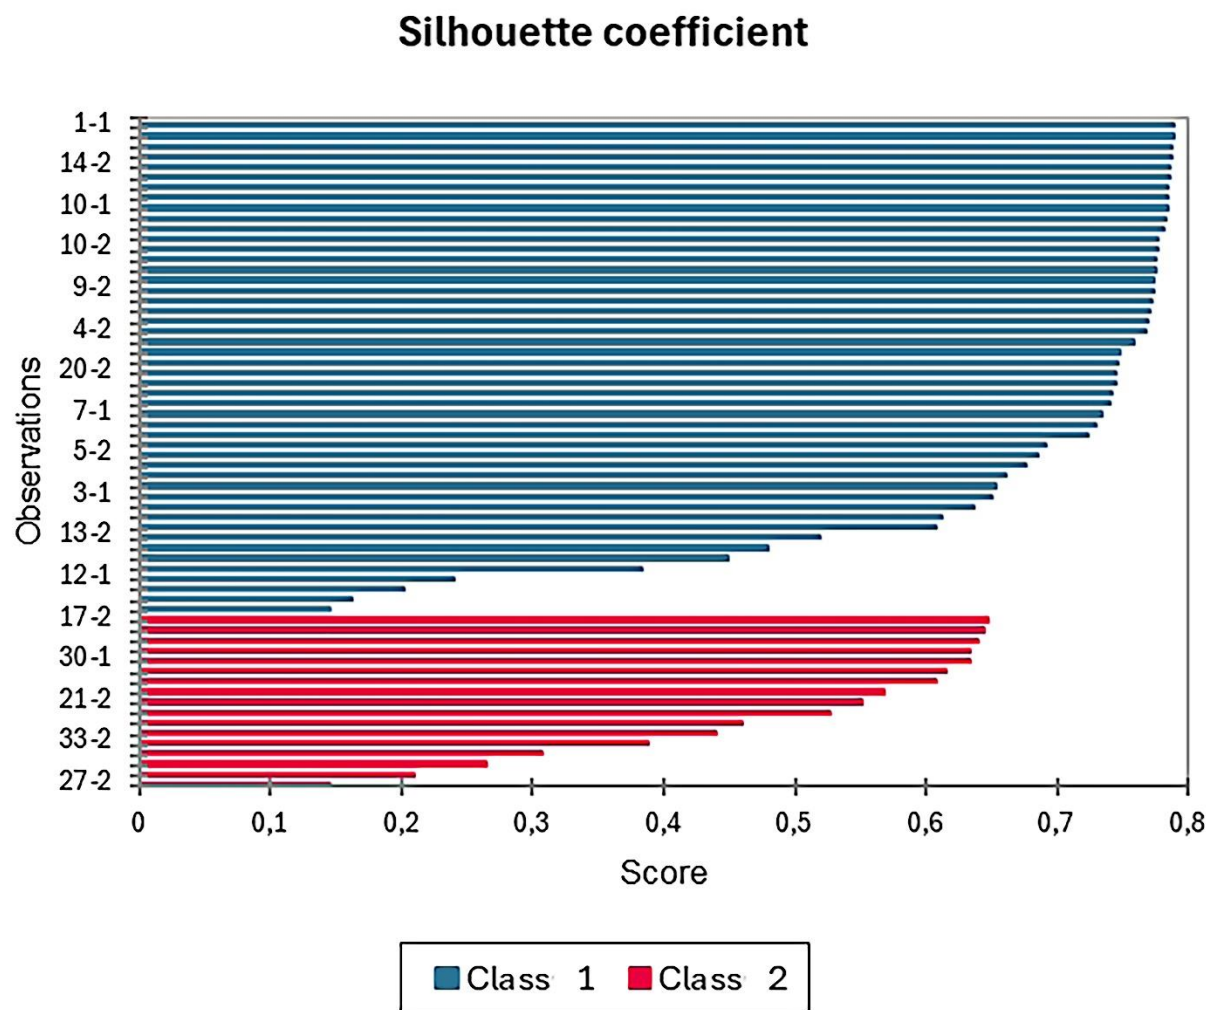

Figure S1: Classification of canters using the k-means method based on judges' scores ($A_1 + A_2$).
